LOVENS ORCHARD

North Newton, Somerset

Introducing an exclusive development of just three bespoke, brand-new executive homes, each featuring 3 or 4 bedrooms and set within a small, gated development.

Crafted by the esteemed Duncliffe Homes, these residences showcase exceptional design and construction quality, ensuring a home you'll be delighted to call your own. Duncliffe Homes also offers buyers the unique opportunity to personalise their new home, depending on the stage of the build.

A tarmac access road leads to plots 1, 2, and 3, providing ample off-road parking. The driveways are finished with elegant black cobble-style pavers at the front and stone shingle for the main drive. External lighting enhances the garages and house exteriors, while landscaped gardens adorn the front of the properties. Each home also boasts a paved patio area and a lush lawned garden at the rear.

Plots 2 and 3 feature an additional unique amenity: an orchard extending approximately 10 meters beyond their gardens, divided between both plots. There's also an option to purchase an additional 2 acres of land through separate negotiation.

Located in the desirable village of North Newton, this development offers a charming community feel with a pub/restaurant and primary school within walking distance, along with picturesque country walks and canal access. North Newton is conveniently situated approximately 5 miles from Bridgwater and just under 8 miles from Taunton. The M5 motorway is easily accessible, just 3 miles away at junction 24, while the cities of Bristol and Exeter, both with international airports, are within an hour's drive in either direction.
